"DINNER WITH FRIENDS" Thursday, July 30 - 5:30

In case you were wondering about "Dinner with Friends" ... it all started quite innocently when we had a celebratory dinner for the couples who won the "Oldieswed Game" in February. We had a nice little dinner in the Activities Room, and those residents seemed to enjoy it so much we thought why not put everyone's name in the hat and give everyone a chance to have a special dinner in their honor, so that's what we did. The honored guests for July are: Ethel Allison, Mary Chandler, Esther Kraft, Frances Lipford, Sue Nodd, Frank Rast, Lucille Givens, and Casey Kania.

The regular edition of "Twilight Times" is taking a little break. This abbreviated version will help you keep up with planned activities.
